FOAM PADS	110 Series	**Finishing Pad** This superfine pad returns dull painted surfaces to their original showroom shine. Excellent for applying sealants and removing wax.	White	Bonnet/ Velcro/ DoublePrecision	●	●	●	●								●							
	115 Series	**Light Polishing Pad** The perrfect pad for light polishing on any surface. Use with wax and polish for a fine gloss finish or to remove swirl marks.	Blue	Bonnet/ Velcro/ DoublePrecision				●	●	●						●							
	120 Series	**Polishing Pad** A more aggressive pad than the **Finishing Pad**. The pore density makes it perfect for polishing and for removing light oxidation. Leaves a stunning shine. The most popular Cyclo pad.	Green	Bonnet/ Velcro/ DoublePrecision				●	●	●						●							
	135 Series	**Cutting Pad** A firm, versatile pad that can be used on everything from compounding and scratch removal to applying paint cleaners and polishes. Features high performance pre-polymer foam with low compressive load deflection.	Yellow	Bonnet/ Velcro/ DoublePrecision					●	●	●	●											
	145 Series	**Compounding & Polishing Pad** An exceptional, all-in-one, cleaning and polishing pad. This high density pad has the power to remove light scratches and polish the surface. It's the preferred pad among top car manufacturers.	Orange	Bonnet/ Velcro/ DoublePrecision					●	●	●	●	●										
	160 Series	**Scrubbing Pad** A true workhorse of a pad. Scrubs away hard to remove materials such as bugs, tar, and sap. Can also be used as a more aggressive deoxidizer.	Yellow	Bonnet/ Velcro							●	●	●		●		●						
WOOL PADS	455 Series	**Original Cyclo Cutting Wool Pad** The preferred multipurpose wool/poly pad, used for metal polishing and paint compounding. Excellent for removing swirl marks and light scratches.	Natural	Velcro							●	●	●		●								
	435 Series	**Yellow Medium Cutting Wool** A wool/acrylic blend with a moderately aggressive texture that is perfect for reducing significant pits and scratches. Excellent pad for everyday cutting.	Yellow	Velcro							●	●	●		●								
	415 Series	**Blue Polishing Wool** Used for applying the finishing touches on most automobiles. A blend of 70% acrylic and 30% wool, this wool pad is perfect for creating a fine luster on nearly any finish.	Blue	Velcro							●	●	●		●								
PAD COVERS	73-515	**Microfiber Suede Pad Cover** An ultra-soft cover used for final touches. Removes all surface residue.	Varies	Over Pad	●																		
	73-530	**Microfiber Terry Pad Cover** The preferred cover for applying polish and buffing wax. Its small fibers are hooked, which enables them to grab, hold, and remove surface residue. Will leave your surface with a sparkling shine.	Varies	Over Pad		●																	
	73-550	**Cotton Terry Pad Cover** A 100% cotton terry cover. Perfect for cleaning interior surfaces and for buffing, polishing, and drying exterior surfaces.	Varies	Over Pad		●													●				
BRUSHES	76-810	**Ultra Soft Upholstery Brush** (8 mil poly) The brush for delicate surfaces. Each bristle is "flagged", a technique that splits the bristle ends into multiple fine tips. Ideal for use on headliners, leather, or more fragile upholstery and natural fiber fine carpets.	Gray Bristle	Threaded Shaft															●	●			
	76-830	**Soft Carpet Brush** (10 mil poly) This brush features medium crimped bristles for gentle but thorough cleaning. kneads and vibrates loose any soil or foreign matter. Perfect for most carpets.	Aqua Bristle	Threaded Shaft																●	●		
	76-840	**Standard Carpet Brush** (12 mil poly) The brush designed for more vigorous cleaning. It is recommended for floor pads and more durable carpets.The **Standard Carpet Brush** is stiffer and less giving than the **Soft Carpet Brush**.	White Bristle	Threaded Shaft														●			●		
	76-870	**Stiff Scrub Brush** (18 mil poly) Our most aggressive brush. Provides exceptional scrubbing power on tough surfaces. Used for cleaning tile, stone floors, and pick-up truck bed liners.	Black Bristle	Threaded Shaft														●				●	
DISCS	72-7xx series	**Cyclo ProShine™** Ultrafine cushioned abrasive discs used for removing orange peel and fine scratches from paint. Also removes fine scratches from plexiglass. Available in grades of 2400, 4000, 6000, 8000, and 12,000. Used with ProShine Interface Pad (79-920) and Rubber Pad Holder (79-101). Alternatively, you can use the ProShine DoublePrecision Interface Pad (77-920).	Varies	Velcro									●	●									
	74-660	**Fastcut™ 600 Grit Pad** This coarse nylon pad is strong, durable, and specifically designed for rough surface areas. Polishes aluminum diamond plate, pitted aluminum, chrome, even glass. Also used to remove puck marks from the walls of ice hockey rinks. Use with Rubber Pad Holder (79-101).	White	Velcro														●					●
