Cyclo Toolmakers, Inc. has been in the business of building polishers for over 50 years. Each machine is hand built for decades of trouble free operation and performance you can count on. Each of our legendary polishers features the patented movement of synchronized, orbiting dual heads which is widely recognized as the most effective means of safely polishing. Ask the professionals about Cyclo polishers, and they will tell you there is no equal.

## CYCLO TOOLMAKERS, INC. ONE-YEAR LIMITED WARRANTY

*This written warranty protects your investment.  
Read it carefully and save this card.*

CYCLO TOOLMAKERS, INC. WARRANTS this machine to the original purchaser to be free from material or workmanship defects for a period of ONE-YEAR from the date of purchase but no longer than two-years from date of manufacture. Our obligations under this warranty are expressly limited to replacement or repair of such parts as we determine to be defective and the labor required for installations. Our obligation is limited to performing repairs in our U.S. factory location (address below). Your Cyclo dealer may provide local services at its own option. If you ship your product to us for repair, and your claim for service is covered by this warranty, we will pay the return freight cost to places within the 48 contiguous United States, but not to other locations.

Conditions resulting from misuse, negligence, alterations, accidents, damage caused by improper use of chemicals, repair by unauthorized parties, or "wear and tear" from normal usage, are not covered. Disassembly of the tool may also void this warranty.

This warranty does not cover damage to machine occurring in shipment, nor damage caused by alterations, fire, accidents, force majeure, misuse or abuse.

To invoke coverage under this warranty you, the (end user purchaser), must register within 15 days of purchase and provide proof of purchase (sales receipt) when requesting warranty service.

We recommend that only Genuine Cyclo accessories be used with this machine. Our products are specifically designed, formulated and tested for product capability.

This warranty is in lieu of all other warranties, expressed or implied, and we do not assume any other liability in connection with the sale of this product. No claim for consequential damage shall be allowed.
